College of Science Ambassadors

Madison Delmoe
Department of Mathematics
Academic Distinction

Madison is a senior pursuing a Bachelor of Science in Mathematics and is doing an honors thesis with Professor Douglas Ulmer in Algebraic Geometry. She is particularly excited about Cryptography, the area of math focused on keeping information secret, including codes used in war and credit card information. She hopes to eventually earn a PhD in Mathematics and continue studying Algebraic Geometry in grad school. Madison is also an ambassador for the College of Science and a Colead for one of the STEMcats programs, which is a series of science activities created and run at local libraries by undergraduates.

In addition to academics, Madison enjoys taking ballet courses at UArizona, playing with her dogs, riding motorcycles, and visiting thrift shops.

Ashna Kapoor
Department of Psychology
Academic Distinction

Ashna is a senior pursuing a Bachelor of Science in Psychological Sciences, along with a minor in Spanish. She recently completed an Honors Thesis with Dr. Grandner in Sleep and Health Psychology, focusing on anxiety and its connections with insomnia. Ashna hopes to go to grad school next year and pursue a PhD in Clinical Psychology. Ashna is also an ambassador for the College of Science, and part of Dr. Sbarra's Social Connectedness Lab. In her free time, Ashna loves to read, travel, box and drink coffee.
